

Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are continuing to focus on strengthening healthy relationships. Our goal is to see an improvement in positive student interactions by acknowledging and celebrating the similarities among us.

Throughout the year, we will be:

1. Facilitating additional workshops with staff on restorative practices.
2. Engaging with our community partners and families/caregivers about the importance of fostering an inclusive school community.
3. Celebrating random acts of kindness towards others both within the school community and beyond.

Community/Home Connections

Ask your child/children about a random act of kindness they experienced throughout the day.

Encourage your child/children to use their voice to amplify the positives of diversity, inclusion and equity.

Check out this video about the purpose of restorative practices
